

Paris Treasure Hunt

This is a fantastic opportunity for your team to enjoy all the benefits of an incredible team building experience in the beautiful French capital. It is becoming increasingly common for companies to plan conferences in Europe, send teams abroad for work, or want to reward employees for a recent job well done. Whatever your business in Paris, our treasure hunt provides a fun and meaningful team building experience and can be tailored to fit your team's schedule.

Our treasure hunt puts teams in competition with each other (and the clock) as they work their way around central Paris. Groups will need to uncover the clues necessary (within the time allowed) to open the Treasure Box. This is a scenic and highly enjoyable way to bring new groups together or strengthen existing teams. Utilising photo clues from around Paris, team challenges, and even GPS handsets, teams must decide the best way to complete the challenge within the time allowed. Every member of the team will be involved right to the end –and it's always a race to the finish!

Whatever your trip's purpose and for whatever length of time you plan on being in Paris, getting your team to Europe is easier than ever. We can even advise and assist your group in making travel arrangements for your event. If you plan on being in Paris for a number of days, we can also help you locate accommodation that's right for you as well as recommend conference venues.
