

EVENTUS PRICE LIST – EFFECTIVE FROM 1st JANUARY 2010

We choose to be absolutely transparent about what we charge. Can our competitors say the same?

First, take the **EVENT CHARGE** from the table below. Next, multiply your anticipated number of participants by the charge **PER HEAD** taken from the appropriate column below. Add this figure to the Event Charge. Finally, add the **LOCATION CHARGE** appropriate for the location of your event (see appropriate Travel Band on the following page). Voila! For events with 200+ participants, please contact us for an individual quote. Please bear in mind that events involving an early start or late finish may require a B&B charge for our event staff. If you have a fixed budget please contact us - we will try & find a great event to meet your needs.
