

Pub Games

This team event is pure fun from start to finish! We bring along a great selection of traditional pub games and then let the fun unfold.

All the well-known favourite pub games are here - Skittle Alley, Shove Ha'penny, Quoits, Darts - plus quite a few great pub games that you might not have come across before such as Shuffleboard, Ringing the Bull, and Aunt Sally. We have scaled-up in size some of the games to make them great for team play. However, all are based on traditional pub games...many of which have been played for centuries.

Your Compere for the event will introduce the games, quickly outline the play involved in each game, and then help teams to get started. Teams sizes vary to suit (anything between 3 and 10 people per team can work well).

On the sound of the hooter, all teams begin their first game. It's race on to score as many points, strikes, or ends as possible before the hooter sounds again to mark the end the round.

Referees (our event staff) ensure rules are scrupulously observed(!) and will join in the fun. At each hooter, teams move on to their next game. But although this is a fast-moving event, there is always time to visit the bar to get the next ones in!

The evening concludes with a prize-giving both to the winning team and to the outstanding (or abysmal!) performances in the various games.

Our Pub Games Event is ideal to follow an evening meal, as a social event for a conference or as the lead-in to an evening meal. It also great as a fun and light-hearted round-off to a business meeting or team building event. A perfect way to keep the team together following a meeting, conference or away day.

- 9 – 200+ participants
- Indoors or outdoors
- Afternoon or Evening
- 1.5 – 2 hour event
- Fast-paced & fun!

I would thoroughly recommend Eventus to anyone planning a team building activity. I would particularly recommend the Pub Games event not only as a great team building activity, but, importantly, as a fun and entertaining event.
